Male/Female

Date of Birth: \_\_\_\_\_

A. Please provide a paragraph explaining why you should be accepted as a member of Asia-Pacific IMBN and how you foresee yourself making a contribution to promoting molecular biology and biotechnology development in the region:

\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

B. Please provide a brief description of current research and development interests:

\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

C. Please describe any areas of specialization (if any) or special focus:

---

---

---

---

---

---

---

---

D. List the best **five** publications in molecular aspects of life sciences (with titles):

1.

---

---

2.

---

---

3.

---

---

4.

---

---

5.

---

---

E. Other comments on your contribution to molecular biology if appropriate:

---

---

---

---

F. Professional service and leadership promoting molecular biology (professional society, national body, editorial board of a journal etc):

---

---

---

---

G. I commit to furthering the goals and vision of the A-IMBN
